City Votes April 10 On Three Dads

Three city councilmen are to be elected in the city election on April 10 with the filing date ending for candidates February 16. The City Council on Monday set the date for the election, named the four precincts and appointed the election officials.

Councilmen whose terms expire are Charles Rose, John Chargin and Gordon Daum. Registration for this election closes on February 16 also, City Clerk Dorothy Trevethan announced.

As of press time no candidates had filed or, for that matter, no one had taken out nomination papers, the clerk revealed.

Other actions by the City Council included the continuing of the public hearing on the appeal of Ivan Kucich. He had been turned down on his request for rezoning of his property now M-1 in order to build apartment houses. The hearing was continued until February 14 because it was felt that Kucich had misunderstood the council's intent to hold the hearing at the end of the meeting. Kucich was present earlier in the evening but left while other matters were before the council.

The council also accepted a comprehensive report on the Campbell major street improvement program from Mark E. Thomas, city engineer. The report in detail outlined the needs for the city, breaking them up into seven units and estimating the cost for each.

It was reported by E. C. Merrill, city treasurer, that $32,142.96, the first installment on property taxes, had been received this week from the county. This is approximately $14,000 more than was received at the same period last year.

BLOOD BANK COMES TODAY

A goal of 100 pints has been set for the Blood Bank today at the Campbell High School. Juniors and seniors, with the aid of other student groups, are sponsoring the bank. Residents of the community are urged to cooperate with the students in order that the goal will be reached.

Today has been termed "B Day" at the school and the student organizations are cooperating in every manner from acting as baby sitters to providing transportation for prospective donors.

Coffee and cake will be served by the Future Homemakers, the Typettes Club will type information cards, the Nurses of Tomorrow will aid the Red Cross in the actual taking of the blood while the Ace HiY members will set up beds, cots and other equipment needed.

SIGNING OFF!

The City Council on Monday went into the sign business and two organizations went out of it.

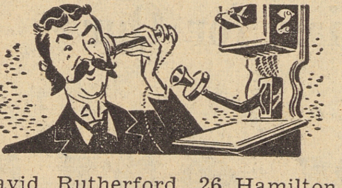
The Campbell Chamber of Commerce donated to the city two CAMPBELL road signs. One is located on the San Jose Los Gatos Road and one on the Santa Clara-Los Gatos Road.

The council accepted with thanks.

By letter also council members were informed by the California State Automobile Association that the association in the future would have to charge the city for the cost of materials and actual wages for installing the road signs in the city.

Previously the association had absorbed these charges.

The city, however, could assume full responsibility and relieve the association of further sign business. Or the association would continue and bill the city.



On The Line in Campbell

David Rutherford, 26 Hamilton Ave., who formerly operated a funeral home in Campbell and is now associated with the Willow Glen Mortuary and also the B & W Ambulance Service has just returned from a combined three week business and pleasure trip to Mississippi. He took delivery of a new ambulance from the Superior Coach Co., near Jackson, Miss., and then took six days to drive it home.

—o—

The Press last week reported that David Rutherford was among those who spoke against the widening of Hamilton Ave., at the Planning Commission on Thursday, January 19. If that had been true (see above) that would have meant Dave talked via long-distance from New Orleans. Actually, W. K. Lee, a San Jose real estate agent, spoke against the widening of the street on behalf of the Rutherford family. The Press regrets not giving Mr. Lee credit for his talk.

—o—

Lester Lafferty, former publisher of The Press, spent the first part of the week getting his annual check-up in the St. Helena Sanitarium in St. Helena. Found in good enough shape to stand the rigors of the annual California Newspaper Publishers Convention which will take place this Thursday, Friday, Saturday and Sunday at San Diego, he left by train for the southern part of the state last night.

—o—

On Wednesday of this week, Judge Martin Walsh showed pictures of his Alaskan vacation trip to the Cambrian Park Kiwanis Club. The motion pictures depicted scenes along the Alaska highway from Dawson Creek in British Columbia to Fairbanks, Alaska.

—o—

Axel Jansen Bondgard, of 880 Abbott Way, Campbell, a native of Denmark, was among the 30 Santa Clara County residents who passed their naturalization examinations in Superior Judge William F. James' court last week. They were granted certificates of United States citizenship.

—o—

E. Jack Christensen, of Campbell, a freshman at Cal Poly in San Luis Obispo, participated in the Cal Poly architectural engineering field trip to the bay area the first part of this week.

—o—

Mel Stein, of Campbell, was among those attending the recent baseball clinic at the Cal Aggie campus in Davis conducted by George Wolfman, University of California baseball coach.

—o—

Ted Schenk, 281 Sunnyside Campbell, won second place among the "Top Ten" in production for the California-Western States Life Insurance Company for 1955. He has been with the company, working out of the San Jose office since April, 1953. Previously he was employed by P. G. & E.

—o—

"Yvonne", a gorgeous reddish blonde and "Mathilda", a striking blonde, made their appearance this week as attractive additions to Rachel's, women's wear store, at 294 E. Campbell. The two "gals" happen to be the first mannequins the store has ever had and naturally they are being fussed over.

Youth Guidance Committee Goes Into Action In City

Two policemen (one retired), a retired teacher, an active PTA leader, a minister, a Catholic priest, an attorney and a practicing psychiatrist met here this week in an unique organization with a single objective: youth guidance.

Following the appointment by Chief of Police Robert Locke and their acceptance) Campbell's eight-member Youth Guidance Committee went into action this week.

First Meeting

At the committee's first meeting held Tuesday evening in the Congregational Church, the functions of the new organization were outlined by Locke and Mrs. Wyland R. Morgan, who has been named chairman.

The committee came into being through the mutual efforts of Chief Locke and Mrs. Morgan, who suggested the novel but practical idea for assisting in any juvenile delinquency problem that might occur in this area. They presented their ideas to the City Council at its meeting on January 16.

The Council authorized Locke to go ahead with the plans for the formation of the group after hearing how successful such committess had been in other cities. Paso Robles has had such a body in existence for 10 years, the Council was told and in 90 percent of the more than 500 cases that have come before this committee the offenders have turned into good citizens.

Santa Clara has had a similar operation for more than two years and only four per cent of their cases have turned itno "repeaters". This giving the youngsters a "second chance", but still calling their attention to the importance of being lawabiding, is the main function of the group, the leaders emphasize.

Assist Youngsters

The purpose will be to assist those youngsters who have, in most cases, unwittingly committed a criminal offense. Rather than have the youths and their parents appear before the juvenile court, where a permanent record is made of the case, the parents and the youngster can meet with the committee in a closed session where every effort will be made to work out a solution to the problem to the benefit of all concerned. All matters before the committee will be handled in a confidential manner.

"Much can be gained, we feel", Mrs. Morgan points out, "in most cases, if the child who has committed the offense, can be kept from having a so-called "record" or having to appear before a judge."

It was emphasized that the committee has no legal authority—only cases that the city police feel warrant this "second chance" will be brought to the committee's attention. The parents will be given their choice of going before the committee or appearing in the juvenile court. Only the first minor criminal offenders will have an opportunity to have their cases referred to the committee for disposition.

At the meeting Tuesday, Chief Locke explained that the committee would confine its activities to only those cases that occur within the city limits of Campbell.

Chief Confident

The chief is confident and enthusiastic over the formation of the group and is certain that it will gain in value to the community as time goes on. He is also pleased with the caliber of citizens who have accepted appointments as members.

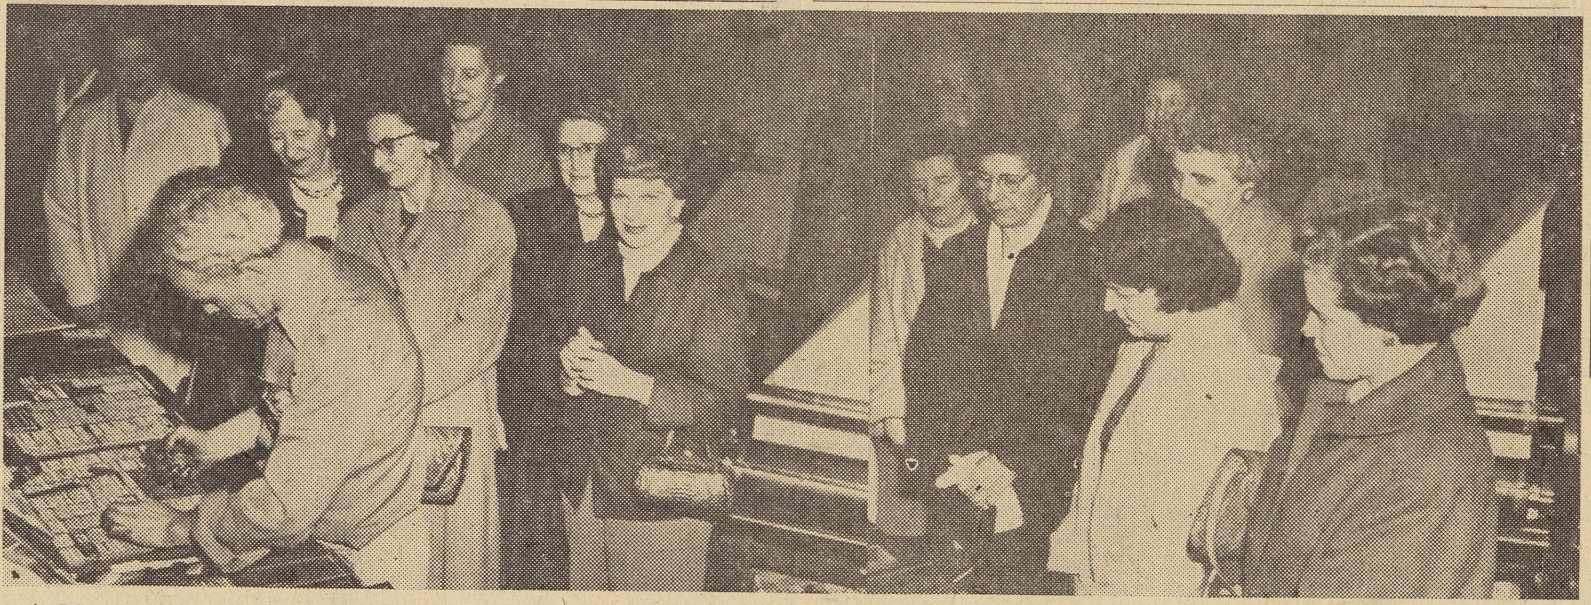
Mrs. Morgan, the chairman, is the wife of Dr. Wyland Morgan who has practiced for more than 20 years in Campbell. She is presently serving as chairman of the juvenile protection committee for the sixth district PTA and is a former teacher and principal.

Others on the committee include Mrs. Robert McCall, former teacher in the Campbell area; Dr. Corwin Olds, pastor of the Congregational Church and a retired National Guard Brigadier General in the Chaplain Corps; Forest Rees, Jr., retired police officer from Ohio; John Morgan, a Campbell police officer; Dr. Willard Morrell, psychiatrist; Sam O'Brien, attorney in the District Attorney's office and Father Thomas F Ahern, assistant pastor of St. Lucy's Catholic Church.

The committee will meet monthly on Saturday mornings, it was announced. Five of the group last Saturday observed the Santa Clara unit in action to gain information for their own operation in the future.

RECRUITER HERE

Jim Daly, a resident of Los Gatos and the West Valley Recruiter for the U. S. Navy will visit the Campbell postoffice on Tuesdays from 11 a. m. to 1 p. m. He works out of the Navy Recruiting office in San Jose.



A New Kind of "Make-Up"

LOCAL WOMEN'S GROUP WATCHES CAMPBELL PRESS IN OPERATION

A group of Campbell women learned an entirely different meaning of "make-up" last Wednesday night at the Campbell Press. They discovered that the term as "applied" by newspapers is not the same as that used to describe an important feminine art.

A first hand glimpse of a newspaper being "made-up" was given members of the Campbell Business and Professional Women's Club when they toured the Campbell Press last Wednesday evening. The tour was in keeping with the club's program to learn more about local businesses and was preceded by a potluck dinner at the Pollard Road home of the president, Margaret Leick.

A brief history of the various mediums used to transmit news, dating back to the days of the town-crier down through the present day methods, was given by the paper's former publisher, Lester Lafferty.

Club members were shown the route of news copy from the time it leaves the editor's desk until it is finally placed on the press. Highlights of the visit included a demonstration of one of the linotype machines and a "dry run" of the newly installed Goss Comet Webb press which is capable of turning out 2400 newspapers an hour, all cut, folded and ready for delivery.

Also of special interest was casting of mats and assembling of advertising layouts by the pressmen who, the visitors were amazed to learn, worked with the pages upside down and were able to read the type in that position as quickly as the average persons reads rightside up.

The newspaper visitors are shown in the accompanying photographs intently watching the paper being "made-up". The first group from left to right, are, Dorothy Ellis, Loren Perry, (hidden); Margaret Leick, Lucille Solomon, Paul (Moon) Mullins, Press printer, Alma Harrison, and Anamae Pereira, with Jerry Furtado in the back.

In the other picture are, left to right, Marian Hill, Beverly Strandberg, Margaret Franceschini, Vivian Faulkner, and Thelma Curry with Ann Levine and Mary Bersano in the background.

HAMILTON 'JOG' AGAIN FACES CITY PLANNERS

The much discussed Hamilton Ave. "jog" is on the agenda again for the Campbell Planning Commission at its meeting tonight at 7:30 in the fire station.

Adoption of the county engineer's plan to curve the eventual 120-foot wide street in order to eliminate the purchase of homes on the north side, at an estimated savings to the city of $48,000 has created a minor furore.

Property owners on the north side have objected to curve, claimin gthat it was unfair to them.

At the last meeting of the commission a lack of a majority vote delayed final action on the plan. The city engineer's office may have suggestions to offer the committee tonight and a report in writing from Traffic Engineer Richard Morton is also expected.

Ivan Kucick may also appear again before the commission requesting approval of plans for warehouses on his property on the west side of San Jose-Los Gatos Road between Campbell and Hamilton.

Nestor Barrett, planning consultant, is also expected to make his official report classifying nursing and rest homes. This question came up at the last meeting when Anthony Madonia, through his attorney requested a ruling on the question.

Directors Name Milton Nelson C of C President

Milton Nelson, partner in the Nelson Grain Supply Company, was named president of the Campbell Chamber of Commerce, at the meeting of the directors held Tuesday night.

Tentative plans for Old Settlers' Day on May 11-12-13 were outlined by Sam Cava, newly appointed manager. He said that a street parade would be held on Saturday, and that the program this year would have a "Mother's Day" feature with Campbell mothers being specially honored on the Sunday.

Two members from every organization in Campbell will be asked to serve on the general committee, the manager said.

One vacancy still remains on the board of the Chamber and an appointment is expected to be made by next week. Del Lucot, an accountant, was named vice-president and Rex Jeffers, clothier, treasurer.

City Hall Jam Causes Discontent

Often used to describe an upset in the daily routine of the home, the term, "mother-in-law trouble", was employed this week to explain a situation that had developed at the Campbell "city hall".

Most of the friction that has arisen among various city departments can be attributed, city officials claim, to the housing of so many city departments in cramped quarters at the fire station.

Two councilmen, Mayor Richard Morton and John Chargin, compared the present city hall bickerings to the flare-ups that often occur when a mother-in-law moves into a crowded household. (They both hurriedly added, however, that they were merely using a general term and noted that the much maligned "mother-in-law" has often been falsely accused of fomenting trouble.)

Inter-departmental friction has been apparent for some time and the City Council has been aware of it. Council members at various times have warned the department heads of the necessity of "getting along" in the make-shift "city hall".

Five departments (police, fire, public works, administrative and planning) are now housed in a building that was originally built solely for the fire department. The employees literally are forced to rub shoulders every day.

The friction was given an exaggerated play this week when a San Jose morning daily newspaper attempted to "sensationalize" the situation by publishing accusations not yet proven correct. The newspaper, in a front page story, tried to build the petty bickerings into "news" by using only hearsay and generalities.

One of the accusations which provided the main part of the "gossipmongering" story in the San Jose paper claimed that a tape recording had been removed from its locker in the city hall by an unauthorized person. Council members maintain that they have no actual knowledge that such a tape ever existed.

City councilmen are confident that when the new city hall is completed the basic cause for these so-called "mother-in-law problems" will be removed.

LOOKING IT OVER... Residents of the Kuehnis Tract (east of San Jose-Los Gatos Road off Hamilton) were upset this week over the installation of wooden street light poles on their street. They are now working out a plan where metal poles will be installed instead. In the above pictures, Jay Anderson (left) and Ray Sargis (right) lean on the pole. Almost hidden are Mrs. Anderson (left) and Mrs. Lois Learned. The little girl is Ann Learned. The offending pole is on the front lawn on the Anderson home on Richlee Drive.

Don't Like Wood Ones

AROUSED RESIDENTS FIGHT FOR METAL STREET LIGHT POLES

Installation of wooden street light poles in the Kuehnis Tract in in Campbell by P. G. & E. crews came to a grinding halt this week, as resident and P. G. & E. officials attempted to work out suitable financial arrangement whereby metal poles instead of wooden ones would be erected. Before the residents and the P. G. & E. officials met around the conference table on Monday, however, a neighborhood uprising took place in which tempers flared to a high pitch. Misunderstanding over what was happening on their streets polewise had united the residents in an all-out protest against the "unsightly poles".

Descend on Council

A delegation of 20 residents from the tract took their grievances to the City Council on Monday night where Sal Genovese, 344 Richlee Drive, acted as spokesman. He said the tract was made up of attractive homes in which the owners took pride and the poles detracted from them.

Mayor Richard Morton explained to the irate residents that the City of Campbell had no jurisdiction over the problem because all Campbell was a part of the Campbell Lighting District under the Board of Supervisors.

P. G. & E. Explains

Present at the meeting however, was William Addison, P. G & E. lighting engineer, who explained to the group what was actually taking place. He pointed out that the utility company does not charge for putting in wooden poles and installs them whenever residents petition for street lights. He said that when more expensive poles are put in, the property owners (or the subdivider) must pay the difference between wood and metal. In this particular tract, he said, there had been no request for metal poles.

He said his company would be happy to install the metal poles, if the people would order them and suggested that the residents meet and work out some financial plan. He said he would be willing to meet with them that night, if they so desired, to explain more fuly what had to be done.

Meet at Press

Because the council chambers were in use and would be for several hours more, George Vierhus, and Joe Anello, of The Press, who were at the council meeting offered the use of the Press building for the meeting. Their offer was accepted at once.

As a result of the meeting, it was decided that a committee composed of Philip D. Lively, Miss Sargis, Mrs. K. K. Van Eaton, Mrs. J. Signorelli and Sal Genovese, would try to work out plans for an assessment district made up of all residents. Lively was named to contact the county counsel as to the legal requirements of such a district.

If such a district within a district cannot be formed individual assessments could be levied against the property owners. Each metal pole costs $160 more than the wooden ones.

Addison assured the group that no more wooden poles would be erected while the residents were attempting to work out their plan. He also said that should none of these proposals work out, P. G. & E. would remove the most unsightly poles and replace them with straight ones. Some of the res-

HOW TO SETTLE PROBLEMS

We think that a situation which occured Monday night at the Campbell City Council illustrates vividly how important it is to have understanding of facts in any problem that arises.

And it further pointed out that once the facts are known people as a rule are willing to sit down and work out practical solutions.

We refer to the protesting residents of the Kuehnis Tract. They dislike vehemently the type of light poles that were being installed in their particular area. A group of more than 20 residents appeared before the Council to air their objections to the wooden poles which had been placed on some of the streets. They wanted the more attractive metal ones instead and wondered what they had to do to get them.

Present also was a representative of the P. G. & E. who explained the company"s side of the picture.

Although the Council had no jurisdiction (it is a lighting district situation), both sides were aired in the council chambers and any misunderstanding that existed prior to the meeting was cleared up.

The residents and William Addison of the P.G. and E. then held their own meeting and worked out arrangements whereby all parties would be satisfied.

We claim that many misunderstandings thato arise can be settled in a like manner around a conference table when all the facts are presented and a true picture of a situation is given. Provided, of course, that both parties are willing to listen.

We were proud to be of a small assistance in this particular problem.

The Campbell Press offered the facilities of its office as a meeting place and it was in this office that the residents and the power company official worked out their problem.

We were happy to be of service. Come again.

YOUTH GUIDANCE

This week the Campbell Youth Guidance Committee was organized and we are convinced that this group will ad dimmeasurably to the community betterment.

No community is stronger than the people who e in it. That is basic.

Thus it follows that, if the people are determined do everything they can to make their home town better place in which to live and for youngsters o grow up in, that the community will be better off cause of this attitude.

This Youth Guidance Committee is something new for Campbell. Its purpose is to do preventive maintenance, as it were, on the exuberant youthful uman machines that make up the city.

All of us have made mistakes at one time or another, and many of our mistakes were often law-eaking ones. Most of us, however, have realized r errors without the benefit of police and court ction.

It is only natural that youngsters will get off the eam on occasions. Some times their actions unwittingly run afoul of the law. And the police must of necessity enter the picture.

Under the Youth Guidance Committee set-up, these minor first offenders have the opportunity of appearing before the committee rather than the juvenile court. The committee has no legal authority and does not levy penalties.

It is composed of a group of qualified citizens who, on their own time, will conscientiously study the problems before them and then try to work out a solution without forcing the youngster to have any sort of a "record".

It is an experiment, true enough, but it has proved successful in communities that have tried it with "repeaters" held to a bare minimum.

Chief of Police Robert Locke and Mrs. W. R. Morgan have been instrumental in getting the group organized here. We commend them both very highly for their efforts.

We also commend the seven other member of the unit, Mrs. Robert McCall, Rev. Corwin Olds, Forest Rees, Jr., John Morgan, Dr. Willard Morrell, Sam O' Brien and Father Thomas Ahern for accepting the responsibilities that go with the membership.
unate to have such a group willing to serve in what
We believe sincerely that Campbell is indeed fort-
we consider a very important function of any community.

CAMPBELL CONSCIOUS

Even to the extent of boring you considerably, we constantly must remind you of the importance of being "Campbell Conscious.''

Even those individuals who consider Campbell just a bedroom city should realize that what happens here is still important to them.

Granted that such preaching on our part may appear to be a trifle presumptious because we have just landed in town, we wish to emphasize that perhaps because of that very reason we can realize the situation even better than those who have lived here for some time.

We fully intend to do everything in our part to emphasize the value of being a resident of Campbell. We like the community and we intend to take roots here and become an active worker for community betterment in every way.

Admittedly Campbell is located under the big guns of San Jose and that city is doing everything it can to dominate the entire area. That, of course is only a natural reaction for the city officials of that metropolis.

To expect anything else would be acting like an ostrich hiding its head in the sand.

Our point is that Campbell also has something to offer. Those of us who live here should be proud to be a member of this community. We maintain community pride is a necessary part of one s existence.

We know that there is a certain amount of apathy among some people in a situation like this and nothing we can say will spark it into action.

But, if only a few are convinced by our words of the importance of being "Campbell Conscious" we feel we have started off right.

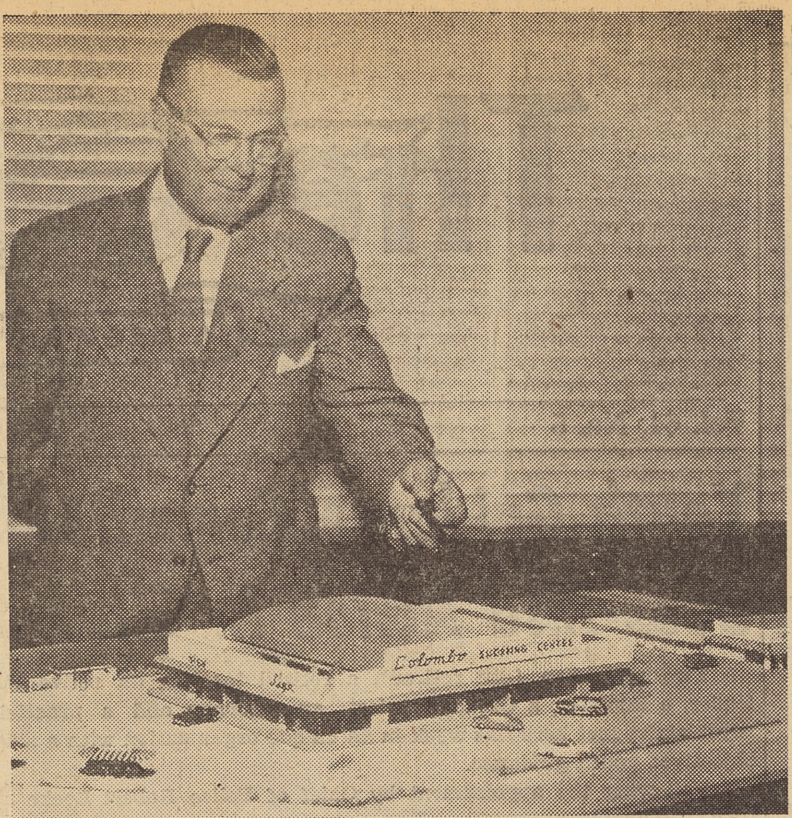
Heart Month

February was proclaimed as American Heart Month by Mayor Richard Morton and the City Council on Monday night. Citizens were urged to support the 1956 Heart Fund Drive. All schools, churches, and organizations were requested to cooperate in the movement.

The proclamation signed by the mayor cited that heart and circulatory diseases constituted the nation's No. 1 health problem. That the American Heart Association and its affiliate the Santa Clara Heart Association which is staging the Heart Drive, is the chief source through which the community's residents can continue to be advised abuot the heart diseases and developments in the cardio-vascular field.

The Heart Association devotes itself to the furtherance of these objectives as a result of the Heart Fund drive each year.



DREAM COME TRUE . . . The above picture was taken in November, 1949 and shows Nicholas Colombo, business manager for the Colombo family, pointing to a scale model of the shopping center on the Santa Clara-Saratoga road near the Moreland school in conjunction with a 24-acre residential development. In the ensuing five years many hurdles had to be crossed but within a few weeks from now the shopping center, renamed "Holiday Shopping Center", is slated to open, as one of the most modern and spacious centers in this area.

New Shopping Center Soon To Open Is Dream Come True For Developer

Translating his long-range vision of future development into actuality through sound, constructive thinking has long been a part of the individual make-up of Nicholas Colombo, manager of the Colombo Tract, located on Saratoga Avenue adjacent to the Moorland School just three miles from the City of Campbell.

Told time and again that certain projects "just couldn't be done" and that he was "foolish to think about it", Colombo has repeatedly through the years proved that his "vision" has been correct.

Holiday Shopping Center

A case in point is the huge Holiday Shopping Center soon to open in the tract. In the center will be 12 stores plus a huge, modern super market of some 17,000 square feet of floor space. The one theme that has been used throughout the center has been "it is for the people" and every effort has been made to carry the theme to a successful conclusion.

The market will be the first of the stores in the center to open and only the "unusual weather" is causing any delay. The shelves are now practically stocked and only the contruction of the parking area (held up because of the excessive rain) will keep the market from opening within the next few weeks.

The Colombo Gardens has long been on the drafting board. It was conceived in the mind of Colombo many years prior to the building "boom" in this area. It was just one of the many ideas that has proved out that makes Colombo rate pretty high as a prophet.

"Surface Not Scratched"

"And the surface has not yet been scratched", the energetic developer maintains.

Colombo believes fervently in the Santa Clara Valley. He was a leader in the "thirties" and before World War II in planning for the future. Many of the ideas he presented then were laughed at but today they are coming true.

His far-sightedness plus his ability to transform his ideas to actual construction has proved to be correct in the past and he is convinced that the Holiday Shopping Center and the Colombo Gardens will be what the people want in the way of living.

Philosophies

He has several pet philosophies he follows religiously. On the wall in his office are a number of signs. "Constructive Thinking" reads one while on another is made up of three words, "Preparation, moderation, dedication".

His results bear out the fact that he takes them seriously.

To reach the present stage of development has been a long, hard row. Problems came in all sizes and shapes but Colombo persevered in his determination. Today he can point with pride to his achievement. When he announced the project back in 1949, Colombo declared that it was his opinion that the County's future development lay on the west side of the valley and it was his intention to provide a nucleus for that development. Subsequent years have proved his prediction correct.

Actually it was in 1946 when the first 13 acres of the tract were purchased by the Colombo family Colombo was well known in San José real estate circles at the time, having been active in the apartment house business there for more than 22 years. He was also prominent in veteran circles as the organizer and first commander of the Memory Post American Legion.

Convinced of Future

Convinced of the future development he built his own home on the corner of the tract on Payne Road, setting it back far enough for the future widening of the road. The tract then was only a prune orchard and obtaining water from the dwindling wells was a problem. From 1947 to 1949 water had to be hauled from the Campbell Water Company. There are now 39 homes in the tract.

MOTHERS TOP GOAL TUESDAY

Mothers March on Polio last Tuesday brought in $3,915.86 in the Campbell area, which was $760.64 over the amount collected last year, which was reflected in the increase throughout all of Santa Clara County showing a total of $51,000 in the unofficial count late yesterday, according to March of Dimes headquarters in San Jose.

Following are counts for Campbell districts, together with chairmen in charge: Mrs. Amelia Romac with $353.94 for the Monroe district; Mrs. Warren Untiedt, $217.83, Rosemary; Mrs. Patricia Hystad, $481.81, Moorpark; Mrs. Evelyn Anderson, $632.50, Hamilton; Mrs. Ruth Calkins, $580.25, Dover; Mrs. Jo Moore, $416.88, Cypress; Mrs. Jean Peterson, $292.79, Cherry Lane; Mrs Marian Pankoski, $225.32, Moreland; Mrs. Louise Bell, $221.38, El Quito Park-Bucknall; Mrs. Stuart Fowler, $282.59, Quito; and Mrs. Ed Platt, $240.57, San Tomas.

Mrs. Robert Mathewson, Cambrian District chairman reported a total of $1,685.57 collected in the Cambrian, Steindorf and Union School districts. Mrs. W. T. Knight in the Cambrian School area, headed the group that collected $571.65; Mrs. Louise Lee turned in $346.27 collected by mothers in the Steindorf School area; and Mrs. Leo Sarter and her group collected $767.65 in the Union School district.

GRAHAM-ANDREWS NUPTIALS IN NEW METHODIST CHURCH

Campbell Methodist Church, decorated with white stock and pink snapdragons, was the scene of the ceremony uniting Miss Anita Louise Andrews and Harold Lloyd Graham in matrimony last Saturday at 10 a. m., with Rev, Herbert W. Neale officiating.

The bride, who was escorted to the altar on the arm of her father, Howard Andrews, chose a white lace over taffeta, waltz length gown, fashioned with a fitted bodice, scoop neckline and three-quarter length sleeves, for the ceremony. Her fingertip veil was fastened with lilies of the valley to her white taffeta headpiece fashioned in a cap tsyle. She carried a white orchid on a white prayer book.

Miss Mary Elizabeth Andrews, the bride's sister, was her only attendant. She wore a pink nylon waltz legnth dress and a small fitted headpiece, edged with pink net. She carried a heart-shaped French gardenia bouquet.

Robert Graham, brother of the groom, attended him as his best man. Vernon Austin was the usher.

Mrs. Howard Andrews, the bride's mother, was attired in a black sheath dress, with gray accessories and a pink and white carnation corsage fastened at her shoulder.

Mrs. T. N. Graham, the groom's mother chose a gray-blue crepe dress for the ceremony. She wore pink accessories and a pink and white carnation corsage.

A reception for more than 40 relatives and close friends of the couple was held in the home of the bride's parents. It was decorated with white stock and pink snapdragons for the occasion. Mrs. Warren Austin, neighbor and close friend of the bride's family, did the floral arrangements at the church and the reception.

Following the ceremony, the justweds left for a honeymoon trip to Carmel and the Monterey peninsula. On their return, they will make their home in Los Gatos.

The bride, daughter of Mr. and Mrs. Howard Andrews of 758 Wekiva, Campbell, is a Campbell High School graduate, and a member of Bethel No. 174, Campbell Job's Daughters. She attended a business school in San Jose and is employed in the office of Hart's.

The groom, son of Mr. and Mrs. T. N. Graham of 2828 New Jersey Avenue, Campbell, is a graduate of Springdale, Arkansas High School. He recently completed his period of service with the U. S. Navy, stationed on the U. S. S. Boxer. He is presently employed at Food Machinery.

Mrs. Walter Lamb Names Pocahontas Committee

Mrs. Walter Lamb, Pocahontas, conducted the meeting of Netops Council No. 247, Degree of Pocahontas last Friday, when she also appointed her standing committee for the term.

New committee members are as follows: Mrs. Mal Dorsett, relief; Mrs. Donald Johnson, hospitality; Mrs. Ray Gilpatrick, publicity; Mrs. John Morris, Americanism; Mrs. Delbert Blomquist, veterans, and Mrs. Maxine Smith, child walfare. Deputy Great Pocahontas Mrs. David Cunha will conduct a school of instruction for the group at the February 10 meeting.

Mrs. Donald Johnson, whose illness prevented her attending the regular raising of chiefs, received her chieftancy at Friday's meeting, when Mrs. James Cunningham administered the charge of the prophetess and past Pocahontas club served as escort team. Mrs. Thelma Nelson gave the prophetess a gift from her officers and Mrs. Ray Gilpatrick presented her with a scrap book.

Mrs. George Reynolds and her committee of Past Pocahontases served refreshments.

The sewing group of the council honored Mrs. Robert Loveday with a surprise housewarming last Tuesday evening. Mrs. Walter Lamb presided at the short business meeting when plans were completed for the installation dinner to be held at Lawrence's Restaurant on February 14.

Following the business session Mrs. Silas Fanning instructed members in making slippers to be offered for public sale at Easter time. This was followed by games and refreshments. Present for the occasion were: Mesdames Thelma Nelson, Phyllis Radford, Clarence Cole, Mal Dorsett, Joseph McGee Harold Jordan, Jess Peters, Silas Fanning, Eugene Hodges, Marie Brown, Maxine Smith, Edna Black, Delbert Blomquist, George Reynolds, Alfred Amstutz, Donald Johnson, Ray Gilpatrick, Charles Shaw, Forrest Chapmen, Stanis Rohde, Douglas Cleveland, John Morris, Walter Lamb, Robert Loveday and Miss Rayette Nelson. Mrs. Earl Lamb was guest of the club.

Dover Meet Hears Reading Discussed

"The Way Reading is Taught in the Campbell Union School District" will be the subject of discussion at the Dover Home and School Club meeting next Monday evening at 7:30 in the kindergarten multi-purpose room, when Mrs. Norman Capp, district supervisor of curriculum; Peter Franusish, district psychometrist, and Miss Henrietta Wehrli, Dover second grade teacher, will give demonstrations of teaching methods in the district and explain the reason for using certain teaching methods.

Mrs. Roy Monsen will direct her fourth grade choral group in musical selections as the concluding number on the program.

Pete Zavlaris will preside at the business meeting preceding the program when matters taken up at the executive board meeting will be discussed. Tentative plans for furnishing flood lights at the school entrance, were discussed as the Home and School Club project for the year.

Mrs. Pat McBride will be hospitality chairman and in charge of refreshments for the evening.

Campbell Register

Las Vegas, Zion Canyon, Boulder Dam, Death Valley and Carson City were some of the spots visited by Mr. and Mrs. Fred H. Smith of San Tomas Road, on their recent trip. They ran into a little rain in places, including a light rain at Death Valley. They saw plenty of snow around Carson City and had to spend the night in that City because the roads were blocked by snow. All in all, though, they reported they had a wonderful time. They were accompanied by Mr. and Mrs. Lee Anderson, formerly of Campbell, who now live in Los Gatos.

Mr. and Mrs. Calvin Hughes of Fresno were here last weekend on the occasion of the birth of their grandson, Mark Ray Coleman, brand new son of their son-in-law and daughter, Mr. and Mrs. Darrel G. Coleman of 318A Nottingham Way, Campbell. Mark Ray was born last Sunday at San Jose Hospital.

Mrs. Lillian Ohlen, secretary of Campbell Past Noble Grands, left for New York last Tuesday on her first lap of a plane trip to So America. Her three weeks will take her to Havana, Port Spain in Trinidad, Caracas, Be in Brazil, Buenes Aires, Sao Pa Montevideo and Santos. She spend eight days in Rio de Jane as she will arrive there in t for the Mardi Gras. Mrs. Ol will take the tour with a Bay A group.

INDIANS SCALP CAMPBELL BUCS

Fremont Indians went on the warpath last Friday night and took Campbell High Bucs into camp by a score of 45-28 in a Santa Clara Valley Athletic League tussle.

By their victory the Indians stayed in the SCVAL title chase with a 2-0 record. Curt Schwartz led the victors in the scoring column by tallying 15 points while Vernon Lunt led the Bucs with 9 digits.

The game was close in the first half with Fremont holding only 21-20 lead at the intermission. But the Indians pulled away in the third period and scored 12 points while the Bucs were gathering three. The victors also tallied 12 in the last quarter to the Bucs' 5.

Lightweights Lose

In the lightweight battle Fremont came out on top also with a 47-39 count. Renart was the big gun for the Indians scoring 16 points while Miyaskusa hit the basket for 10 points to lead the Bucs.

As in the varsity encounter the game was a closely fought affair for the first half. The score was knotted at 23 each at the intermission when the Bucs trailing in the first quarter put on the pressure and scored 14 points to Fremont's 8. But the Indians came through in the last two stanzas.

BUCS FACE ALUMNI SATURDAY

Former basketball greats will return to Campbell High School this Saturday, February 4, as the Buc A and B cagers clash with the alumni.

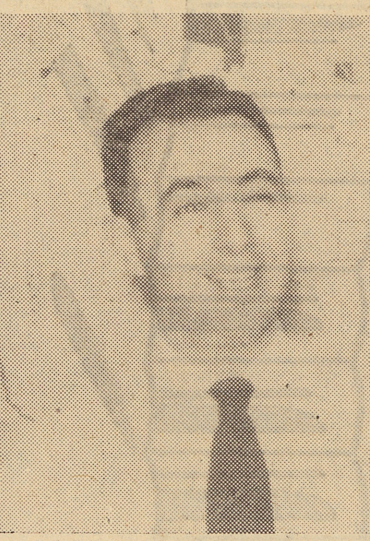
Leading the alumni will be Billy Wilson, a former graduate of High who is currently doing a great job with the San Francisco 49'ers. As center of the challenging hoop squad, he should be hard to stop.

Backing him up is a host of former talent. The starting line-up will include Tom Hansen and Ken Beth as forwards and Tony Schraub and Dan Estrada as guards. Hansen, two years ago and Schraub, last year, were both voted "Outstanding Player in the SCVAL."

The alumni will also have strength on the bench, as Rahn Sparrer, Hal Shumway, Charles Cantoni, Jim Dahms and Dick Jordan will be in reserve.

Because of all this power, the returning graduates are given a good chance of upsetting the Buc Varsity. If they do this, it will be the first time in the history of this annual event, for the alumni has never won.

There will also be a preliminary game, as former Buc Thirties play the present B squad. Returning to see action in this one are Bob Pentzer, Richard Dahms, Richard Buck, Dick Takaha and Shig Nizawa.



HOLDS GRAND OPENING . . . Pete Lico, operator of the Town Pride Market at 360 E. Campbell Ave., is holding a special grand opening celebration in conjunction with Dollar Days this Thursday, Friday and Saturday. Although he has been operating the store for several weeks (he purchased it from Sam Cava newly appointed C.of C. manager) he has held off his grand opening ceremonies until this weekend. The market was formerly known as the J & A Market.

Gymnasts To Hold Triangular Meet

San Jose State gymnastics team opens a six-meet schedule February 11 entertaining Stanford and Cal Poly in a triangular meet at Spartan Gym.

Bill Gustafson, in his first year as Spartan gymnastics coach, inherits three veterans from the 1955 Spartan Club which was unbeaten in three meets.

Letterman Ron Phillips, horizontal bar and rings, and Jack Alberti, a top tumbler, will provide strength along with such newnewcomers as Ed Tryk, a bright sophomore prospect in the parallel bars and free exercise.... holdover Val Waldrip, a star on the still and swinging rings; and Pete Marinovich, a junior with no previous competition but considered a great prospect on the trampoline.

Top freshmen stars include Jim Eddy from San Jose's James Lick High, a tumbler and general apparatus man; Bob Haywood, PAL and NCS diving champion from Palo Alto High who is the best Spartababe, trampolist; Mike Bozzo, all-around; and Bob West, side horse and free exercise. Freshmen will not compete in varsity meets.

The schedule includes: February 11—Cal Poly and Stanford and San Jose; February 22—at Stanford; February 25—California at San Jose; March 9—Washington State at San Jose;

Buc Matmen Defeat Fremont 26 to 17

Continuing their winning ways, Campbell High School wrestlers defeated Fremont 26 to 17 last Friday night at Fremont. Roger Lukehart, 191-pound Buc again kept his record clean by defeating Reynolds of Fremont. The husky Buc has yet to lose a match.

Buc matmen winning their matches included Stroppa, Omura, Cureton, Sutton, Lukehart, and Profit. Anders got a draw with his opponent while Nevis, Hija, Yamada, Garza, and Gaxiola were on the losing end.

Campbell Wrestler

Russ Camilleri, of Campbell, 1955 Pacific Association AAU heavyweight wrestleing champ, and a sophomore member of the San Jose State wrestling team is with his Spartan teammates this week on trip to the Northwest.

The Spartans met Oregon on Wednesday and will meet Oregon State tonight and Washington State Saturday. After returning home San Jose will meet five more California teams as well as participating the Pacific Coast Intercollegiate and AAU meets in the district.

Kiwanians Hear Local Boys Speak

Steve Hunter, Bob Young, John Duncan and Steve Dunn, four members of the Ace Hi-Y Club at Campbell High School, practiced their speech on the tidelands issue at the Campbell Kiwanis Club meeting last Tuesday.

The boys will present their speech as local delegates of the YMCA Youth in Government convention in Sacramento February 23-25, when they will assume legislative positions and go through the procedure of actually presenting bills.

John Duncan, Sr., program for the day, introduced the boys.

Judge, Martin S. Walsh will be chairman for the meeting next Tuesday, when he will recount quaint happenings in law from his long experience as a judge and practicing attorney.

dents claimed that some of those installed last week had several bends in them making them worse looking than ever.

The committee will present its findings at a meeting of residents in the Dover School as soon as the necessary information is obtained.

Those taking a leading part in the "uprising" included Mrs. Lois Learned, Mr. and Mrs. Jay Anderson, William Sherrard, Raymond Sargis, Henry Mayosky, Marvin Ferguson, Mr. and Mrs. K. K. Van Eaton, Henry Weston, L. E. Coffman, Leo H. Silverthorn, Mr. and Mrs. Philip Lively and S. H. Hith.

Mrs. Verle Grizzle, wife of the Campbell jeweler, entered O'Connor Hospital yesterday for major surgery. Mrs. Grizzle has been office nurse for Dr. McNiff.

Cub Pack Told Of Bicycle Safety

Deputy Sheriff Leon Talesfore presented an educational film on bicycle safety, followed by a question and answer session, at the meeting of Cambrian Cub Pack No. 74 in the Cambrian School cafeteria last Thursday evening.

Mrs. N. Hale's Den presented a humorous skit in keeping with the Pack's January theme "Pirates", followed by original "yells" by other dens, also in the "Pirates" theme.

Cubmaster Don Hancock presented the following awards: Paul Brandon, Bear Badge, Gold Arrow and Silver Arrow; Ken Cosmo and Randy Howard each received their Lion Badge; Anthony George received two Silver Arrow points, and Davis Wells received one Silver Arrow point.

Before refreshments were served, Cubmaster George Kemp announced the next meeting will be held February 7.

DIMES GOAL OVER TOP

Diane Stambaugh, student body president, and Joanne Sutter, secretary at Cambrian School, are heading the March of Dimes campaign at Cambrian School.. At press time students had collected $454.87, which is $114.87 over the goal of $340 for the school.

"Peanuts for Polio" brought in a tidy sum when students sold peanuts in the Cambrian Park area on Saturday. They will continue the peanut sale this weekend.

Mary Gray Weds Lurrell Staggs In Nuptial Mass At St. Lucy's

The chapel at St. Lucy's School, decorated with white iris and carnations, was the scene of the nuptial mass when Miss Mary Joan Gray and Lurrell J. Staggs were wed in a double ring ceremony performed by Father Rice, S. J., last Sunday morning at 11.

Mary Joan, who was escorted to the altar by her father, Clyde Gray, was attired in a white satin and lace, long sleeved, princess style gown, fashioned with a train and a Peter Pan collar. Her finger tip veil dropped from a white satin coronet, trimmed with seed pearls. For her bouquet, she carried a white orchid on a white satin prayer book.

Her maid of honor was her schoolmate, Miss Anita Francesconi of San Jose, who wore a pale lavender-blue frosted nylon cocktail length dress with a scalloped neckline and carried a French bouquet of pink carnations and violets. The bride's sisters, Margaret and Sylvia, were her bridesmaids, attired in identical cocktail length gowns of pale lavender-blue froster nylon and carried French bouquets of pink carnations and violets.

The bride's mother wore a peacock blue silk dress with pink accessories and a pink orchid.

Mrs. Mize of Pasadena, the groom's mother wore a pale aqua silk dress with a pink hat and black accessories. She wore a white orchid corsage.

George Richard Gray, brother of the bride, was the groom's best man. Robert Bottums and L. J. Miller were ushers.

Miss Marilyn Kay, organist, with Miss Carol Veit, vocalist, provided nuptial music with selections of "Ave Maria", "Panis Angelica" and "Oh, Lord, I Am Not Worthy".

Following the ceremony, a wedding breakfast for members of immediate families of the couple, and their attendants, was held at the Red Coach Inn. Father Thomas Ahern, assistant pastor at St. Lucy's Church, was also present.

An afternoon reception for more than 50 relatives and friends of the newly weds was held at the Lyndon Hotel in Los Gatos, which was decorated with candles and greenery. The three-tiered wedding cake was decorated with roses, silver bells and leaves and topped with a miniature bride and groom.

The justweds left for a honeymoon trip to Mexico. For her going away ensemble, the bride wore a blue wool suit with navy accessories and the white orchid she wore during the ceremony.

The bride, daughter of Mr. and Mrs. Clyde Gray of 589 Apricot Way in Campbell, is a graduate of Notre Dame High School in San Jose and the College of Notre Dame in Belmont, where she majored in education, and is presently attending San Jose State College where she is studying for her teaching credentials.

The groom is the son of Mrs. Mize of Pasadena, and the late L. J. Staggs. He attended schools in Mississippi and has been in the U. S. Navy Air Force until recently. He is presently employed at United Airlines in San Francisco.

Following their wedding trip, the couple will make their home in Lakewood Village.

Rev. Hare Feted At Church Social

Pastor and Mrs. Hare of the Seventh Day Adventist Church in Campbell, were feted at a farewell church social last Sunday at the Saratoga I. O. O. F. Hall on Pastor Hare's transfer to the Tabernacle Church in San Francisco.

Hare has been pastor of the Campbell church for more than three years, having come here from Sioux City, Iowa. The Hare family, including three daughters, Helen, Dolores and Ann, have been living at Cypress Avenue.

Dr. A. Babienco presented Pastor and Mrs. Hare with an electric blanket on behalf of the congregation.

Dr. Roy Smith, master of ceremonies for the occasion, announced the musical program which included a vocal solo by Oliver Jensen.

Judy Smith and Pam Babienco presented "Waltz of Romeo and Juliet" in a piano duet, and Dennis Birk gave an accordian rendition of "Granada". Fred Garrett concluded the musical program with a vocal solo.

Following the program, refreshments were served by the social committee with Dr. Roy Smith as chairman.

Honorary PTA Member To Be Named At Tea

The Campbell Union Grammar School Parent Teacher Association, El Paradiso Council, Sixth District, in commemoration of their annual Founders Day, will honor all past presidents and honorary life members of the local association at their mother and daughter tea next Tuesday afternoon at 2:30 in the school library room.

Mrs. Dorothy Royce, chairman of the life membership committee, will introduce honored guests and reveal the name of the newly chosen honorary life member for 1956.

Mrs. Steven B. Anderson, program chairman, will introduce the guest speaker, Mrs. George Willnamson, director of the local chapter of the national volunteer organization of World Mission to Children, Inc.

Seventh and eighth grade members of the school's music groups will provide background music during the tea, under the direction of Edward Tonini.

Students of the homemaking classes will be in charge of serving at the tea, assisted by room mother hostesses: Mesdames Earl Perry, Frank Stasi, Jerry Ginney, Victor Carlino, Richard Strong, Joseph Voytek, and T. R. Garth.

Mrs. F. H. Pepper is decorating committee chairman, while Mrs. Wade Whitton is chairman in charge of refreshments.

Methodist Groups Exchange Ideas

Guest leaders from five neighboring churches will assist in the Workers' Conference at the First Methodist Church next Monday evening at 7:30 in the new church building on Winchester Road.

Each guest who is experienced in work in a certain age group, will lead a discussion on the subject. Speakers and their subjects are: Mrs. Edward Buhler of Los Gatos Presbyterian Church will speak on "Working With the Twos and Threes"; Mrs. Everett Watters of the Alum Rock Methodist Church will speak on "Adapting Public School Methods to Church School Teaching"; "Understanding the Primary Child" will be discussed by Mrs. H. E. Givens from the Los Gatos Methodist Church. "Adventuring With Juniors" will be the topic of Miss Shirley Kirkish from the Sunnyvale Methodist Church; and Mr. and Mrs. Forest Mayer of Willow Glen Methodist Church will lead the discussion on "Youth Leadership".

Howard Guilbert, church school superintendent, will preside at the brief business meeting preceding the program.

Officers and teachers of the church school and members of the Commission on Education will be in charge of the opening period of dessert and fellowship, led by Mrs. Oliver Buehner, chairman.

Margaret Smith Troth Announced

Mr. and Mrs. Fred B. Smith announced the engagement of their daughter, Estella Margaret, to Peter B. Crisham, Jr., of San Jose, at a recent family gathering at their home on San Tomas Road.

Margaret is a graduate of Campbell High School and is a senior kindergarten-primary major at San Jose State College and will receive her credentials in June. She is affiliated with Delta Phi Upsilon and the Newman Club.

Peter, who is the son of Mr. and Mrs. Peter Crisham, Sr., of Coe Avenue in San Jose, is a Bellarmine High school graduate and now a senior business-marketing major at San Jose State College, where he is affiliated with the Newman Club.

A late summer wedding at St. Lucy's Church in Campbell is planned by the couple.

SJSC Thespians To Present Play

The Speech and Drama Department of San Jose State College will present THE ELVES AND THE SHOEMAKER, by Nora Tully and Charlotte Corpenning as the Children's Theatre production this season. This elfin version of the old fairy tale will be presented iin the College Theatre on February 24 at 4:00 p. m. and 7:30 p. m., and again on February 25 at 10:00 a. m. and 2:30 p. m.

This version of THE ELVES AND THE SHOEMAKER will hold the interest of children's audiences anywhere between the ages of four and fourteen. The parents will enjoy seeing it too, for, as Mrs. Chorpenning says in her book on writing for Children's Theatre, all plays for children must have adult "over tones".

Leading roles, played by college student actors, are taken by Barry Montilla, Kenneth Rugg, and James Dunn as the three Elves, Richard Wilson as the Shoemaker, Celia Cross, his wife, Barbara Bridges his daughter, Bonita Camicia the owner of the shop, and Marilyn Clift, Jean Parlette, Jean Marsh, Carolyn Call, Gail Anderson, and Celeste McAdam as the villagers.

The play is directed by John R. Kerr; the setting is designed by J. Wendell Johnson; costumes are designed by Berneice Prisk, Harrison McCreath is technical director.

Highway Tax Gets County $147,575

Robert C. Kirkwood, State Controller this week advised the Board of Supervisors, that Santa Clara County will receive $147,575.86 as its share of the $5,662,759 in Highway users taxes apportioned to the counties in January.

Net highway users taxes for the month ended December 31 amounted to $24,018,860 and were apportioned in January as follows: state highway fund for cities, $2,210,902; counties, $5,662,759 and state highway fund for highways, $16,145,199.

Kirkwood declared that the December apportionment was $858,271 under the previous month, but was $2,075,772 above the same period last year.

1956 Heart Fund Drive Starts In City This Week

Campbell launched its 1956 Heart Fund drive on Wednesday supporting the fight against diseases of the heart and circulatory system, Mrs. Dan Clark, chairman of this city's campaign, announced.

The drive, with a county-wide goal of $39,600 is sponsored by the Santa Clara County Heart Association, an affiliate of the American Heart Association.

In an appeal to the residents of Campbell to give generous support to the 1956 Heart Fund, Mrs. Clark pointed out that the major portion of all proceeds from the drive will be used locally and in this state to combat heart disease through reseach, education and community heart programs. The balance will go to advance the national program of the American Heart Association, with at least one-half earmarked for its extensive research program.

"The heart diseases account for more than 52 per cent of all deaths in the United States each year," Mrs. Clark said. "It is estimated that one out of every 16 persons in the country—a total of 10,000,000 persons—suffers from one or another form of heart disease, and 500,000 of them are children of school age. I believe that these statistics give a graphic picture of the problem we are facing. It is a problem that reaches into almost every home."

Mrs. Clark was assisted in the mail campaign in the Campbell area by Mrs. Oliver Jensen, Klaude Block and Mrs. W. H. Lawlor and her Brownie Troop No. 350.

First National Grows

The First National Bank of San Jose shows in its Statement of Condition, dated December 30, 1955 a growth of $9,400,000 as compared with December 31, 1954. The total Resources of the Bank are now $75,922,000 which again establishes a new high. Demand deposits were up $4,552,000 and time deposits increased $3,550,000, bringing the total deposits to $71,311,000, for a gain of 15% over last year. Loans and discounts increased by $7,400,000, according to Joseph Rigers, president.

M., February 16, 1956, at the office of the said Board at 111 North Third Street, Campbell, California, at which time and place said bids will be opened and read in public, for furnishing all labor and materials for construction of:

Additions to Monroe Elementary School, consisting of eight (8) classrooms, Shop and Homemaking Rooms and appurtenant facilities at 1055 South Monroe Avenue, San Jose, California.

Work must be done in strict accordance with plans and specifications prepared by and obtainable at the Office of the Architects, Higgins and Root, AIA, 220 Meridian Road at Park Avenue, San Jose 26, California.

A deposit of $25.00 per set will be required of all contractors receiving plans, said deposit to be returned by the Architect when plans and specifications are returned in good condition.

All bids are to be made out on forms furnished by the Architect. No bidder may withdraw his bid for a period of thirty (30) days after the time set for the opening thereof.

The Board of Trustees reserves the right to reject any or all bids and to waive any informality in any bid received.

Cashier's or certified check or bidder's bond in the amount of ten (10%) per cent of the bid shall accompany the proposal, drawn to the order of the Campbell Union School District as a guarantee that the Bidder will, after being notified of the acceptance of his bid, enter into a contract with the Board of Trustees in accordance therewith.

The successful bidder will be required to furnish a bond for faithful performance in the amount of 100% of the contract price, and a bond for material and labor in the amount of 100% of the contract price.

The work to be performed under this contract shall commence at once, and shall be substantially completed by August 31, 1956.

Time shall be the essence of this agreement. The substantial completeness of the work to be performed shall be within the determination of the supervising architect alone, and the parties signatory hereto agree that his determination shall be final.

Should said work not be completed within the time hereinabove stated there will be deducted from the final payment the sum of Twenty-five ($25.00) Dollars per day as liquidated damages, but not as a penalty, for each days delay after expiration of such period until the final physical completion of the work and its delivery to said Owner.

Workmen employed on said work must be paid in accordance with the prevailing scale of wages adopted by the Board of Supervisors of Santa Clara County, June 27, 1955, on file in the office thereof, example as follows:

Carpenters: Journeymen	$2.90
Cement Finishers	2.745
Electrical Workers	3.35
Glaziers	2.55
Painters - 7 Hour day	2.92
Plasterers	3.43
Plumbers	3.425

Ordinary overtime, one and one-half times the above rate; legal holidays, Saturdays and Sundays where crafts work a five-day week and/or where schedule of crafts so provide overtime shall be paid at the rate of double time except for watchmen, guards, and flagmen. Double payment for holidays and overtime shall be in accordance with rates fixed by schedule adopted by the Board of Supervisors of Santa Clara County to which reference is hereby made for any rate of payment not herein specified.

It shall be mandatory upon the contractor to whom the contract is awarded and upon any subcontractor under him to pay not less than the said specified rates to all laborers, workmen and mechanics employed by them in the execution of the contract.

The Board of Trustees of the Campbell Union School District, Campbell, California.

JOHN DIXON, Clerk of
Said Board.

NOTICE TO CONTRACTORS

The Board of Trustees of the Cambrian School District of Santa Clara County, State of California, invites and will receive sealed proposals until 8:00 P. M., February 20, 1956, at the office of said Board at the Cambrian School, Casey Road & San Jose-Los Gatos Highway, Campbell, Santa Clara County, California, at which time and place said bids will be opened and read in public, for the furnishing of all labor and materials for the erection and construction of the following:

Erection of Farnham School on Woodard Road, near San Jose-Los Gatos Road, Santa Clara County, California.

The Board reserves the right to accept or reject any or all proposals. The award, if any, will be determined on the Base Bid as modified by any alternates the Board may decide to accept or reject.

All bids shall be in accordance with the plans and specifications for said work prepared by Evans & Lincoln, John M. Evans, Architect, at 2181 Moorpark Avenue, San Jose, California. Plans and specifications may be obtained from the office of the Architect upon deposit of $25.00 per set. Additional sets may be obtained at $15.00 per set, which sum is non-returnable.

All bids must be made on the form furnished by the Architect and must be accompanied by a bid bond, a certified check, or a cashier's check for an amount not less than 10% of amount of said bid. Checks or bonds shall be made payable to the Cambrian School District bonds as required by the specifications and/or fail to enter into a contract with the School District.

No bidder shall withdarw his bid within a period of thirty (30) days after date of opening.

Workmen employed on said work shall be paid not less than the following prevailing scale of wages:

Classification	Hourly Rate
Carpenters	$2.90
Laborers	2.17½
Cement Finishers	2.74½
Plasterers	3.43
Hod Carriers	2.90
Plumbers	3.25
Electricians	3.35
Painters (7 Hrs)	2.92
Tile Setters	3.10
Roofers	2.75
Glaziers	2.55

and in accordance with the rates fixed by the schedule adopted May 15, 1955, by the Board of Supervisors of Santa Clara County and which schedule is hereby adopted as the general prevailing rate of per diem wages in the locality in which said public work is to be performed for each type or craft of workmen needed to execute the contract, and said schedule of wages is hereby specially referred to and incorporated herein and made a part thereof as though the same were set out in full, including the specifications therein of per diem wages for legal holidays and overtime work in said locality; and the contractor to whom the contract is awarded and any subcontractor under him shall pay not less than the specified prevailing rate of wages as therein specified to all workmen employed in the execution of said contract.

Said schedule of per diem wages is based on a working day of eight hours unless otherwise provided therein, and the wage prescribed there in is the per diem rate divided by the number of hours constituting the working day.

All skilled and other labor not listed above that may be employed is to be paid not less than the union wage scale for such labor.

Contractors who propose to have subcontractors perform work or labor or render service to them in or about the work shall designate in their bid the names and location of the places of business of each subcontractor who will perform such work, labor or render services in excess of one-half of one percent of the contractor's bid.

No bid shall be accepted from a contractor who has not been licensed in accordance with the provisions of the Contractor's License Act of the State of California.

New Mail Service Goes Into Effect

Combination Mail, the new mail service permitting a mailer to enclose a letter or message inside a package or publication, has been made a permanent service of the United States Postal Service by Postmaster General Arthur E. Summerfield, Postmaster Ira H. Grim said this week.

Postmaster Grim said the new service became effective on November 28, 1955, on a 60-day trial basis and obtained an enthusiastic and overwhelmingly favorable response from individuals and business firms who liked the experimental change and desired that it be made a permanent feature of the postal service. The change was officially authorized on a permanent basis, effective Wednesday of this week.

Combination mail enables the user of the new service to indicate the presence of a letter or message inside second, third or fourth class mail and pay the appropriate postage for the first class material plus the regular rate for the other class.

Catholic Social Service Reports Counseling Need

The annual report for the year 1955 of Catholic Social Service of Santa Clara County, a Red Feather Agency, shows a continued uptrend in the need for family counselling and child welfare throughout the county.

The number of cases serviced during 1955, exclusive of children's cases, rose to 1,003, compared with 575 in 1954 and 510 in 1953. During the year, 830 cases were completed and closed, compared with 504 in the preceding year and 436 in 1953.

The number of children under the agency's care during 1955 was 133, compared with 95 in 1954 and 78 in 1953. The cases of 50 children reached a satisfactory conclusion and were terminated during the year. In 1954 there were 55 such cases, and 46 in 1953.

The total number of interviews held by the staff of Catholic Social Service during the year showed a marked increase. In 1955, interviews numbered 5,246, compared with 3,502 in 1954, and 2,764 in 1953.

LOCAL SOLDIER TAKES PART IN ALASKAN TEST

Sgt. George A. Burrous, son of Mrs. Nellie C. Barton, 54 Gilman Ave., Campbell, is taking part in the Army's Alaskan "Exercise Moose Horn" in the Big Delta area, 165 miles from the Arctic Circle.

During the four-week maneuver, several thousand troops will receive practical training in tactical operations and cross-country movement under simulated combat conditions. Winter temperatures in the region drop to about 50 degrees below zero.

Also two methods of arctic supply, airdrop and giant oversnow tractor-sled-trains, are being compared.

Sergeant Burrous is regularly assigned as a squad leader with Company K of the 71st Infantry Division's 53d Regiment in Alaska.

The 21-year-old soldier entered the Army in May 1953 and completed basic training at Fort Ord, Calif.

Flooded Counties Receive Priority

The Sacramento Signal Depot Procurement Office has announced that the Chif Signal Officer of the Army has given the depot authority to place priority in buying to producers in the federally-declared flood disaster counties of California, including Santa Clara.

Walter Serpa, contracting officer, said his activity is prepared to negotiate for procurement items at the going price without waiting for national advertisemen of bids.

He urged businessmen in the flooded California counties to contact the depot and added that the priority includes small as well as big business.

Typical classes of items bought by the depot are electronics supplies, hardware, office supplies, chemicals, etc.

NATIONAL GUARD DAY

Major General Earle M. Jones, state adjutant general, announced this week that all Army and Air National Guard units in California will conduct a one-day recruiting drive February 22, designated by Governor Goodwin J. Knight as National Guard Day.

SAN TOMAS SUMMARY

The San Tomas Baptist church has moved into its new home on the corner of Elam and Harriet. The new building is not finished yet, but regular services are being held there. The Rev. James Warren is pastor. The Choir Social on Friday night will give the members of the choir and their husbands or wives an opportunity to inspect the new structure.

Sunday there will be a fellowship evening at 8 p. m. following the Training Union at six and evening worship at 7 p. m. In addition the church holds Sunday School services at 9:45 a. m. and church at 11. Wednesday night is prayer meeting and Tuesday night the Women's Missionary Union meets at 7:15.

The San Tomas Lighting District has been approved by the Board of Supervisors. The San Tomas Improvement Club, which meets the second Thursday of each month was instrumental in initiating this project.

—o—

Local residents who watch the San Tomas creek anxiously each winter will have to find something else to worry about according to J. Robert Roll, chief engineer of the Santa Clara Valley Water Conservation District.

Two plans are being studied to take care of the flood waters of the San Tomas, Roll says. Together with the City of Santa Clara the Conservation District is exploring the possibility of building a dam which will conserve the flood waters for summer use.

The second plan is being studied by the Flood Control District of the County engineer's office. It involves a canal from the San Tomas to the Los Gatos at Budd Avenue. Flood water would be drained off into the Los Gatos creek. The merits of the two plans will be fully examined and one of them will be adopted.

The engineer says that all creeks in the valley are holding their natural flow at present, though it is possible that the San Tomas is benefitting from the percolation beds between Saratoga and Los Gatos.

Lexington Dam is being held five feet below overflow. Water flowing into the dam from upstream is being used for percolation beds, or is flowing down the Los Gatos Creek to the bay. The stream which flows through Campbell is also fed by many streams and springs down-stream from the dam.

When the nearby creeks no longer have enough natural flow to reach the bay, Lexington Dam water will be fed into them so as to keep water running as far as Steven's Creek Road. There is enough water in the dam to last until October or November. It is possible, experts think, that this year will see 12 months of water in the San Tomas Creek for the first time in over 50 years.

QUITO QUORNER

All who like books are reminded of the book sale the Quito-Campbell PTA will hold at its February meeting. If you have too many books, the PTA will be glad to put your extras up for sale. If you need a book, stop in at Quito School, 500 Quito Road, on their regular meeting date, the third Tuesday, February twentyfirst.

The Quito PTA Fashion Show will be held again this Spring. PTA members are invited to have their young daughters model dresses.

Mrs. Edwin Domboski of Paseo Presada spent a busy week end. On Sunday she gave a birthday party for her husband's nephew, Clyde Moix, a recent arrival from Arkansas.

The birthday party was overshadowed by the surprise baby shower for Julia given by Jean Nunn and Doris Thorp on Friday night. The party was at the the Nunn's home on McCoy Ave. where Julia had been asked to drop in. Presents were opened from her hostesses and Mesdames Russ Hewitt, Stanley Sokolowski, Velma Timmons, Jan West, Barbara Stephenson, Agnes Turek, Mabel Nelson, Ruth Burke, Cathie Steele, and Ellie Heck.

Dr. and Mrs. Edwin S. Stephenson of McCulloch Ave. gave a dinner party Sunday night for Dr. and Mrs. Jack Stein of San Francisco. The Steins are going abroad in April and this was in the nature of a farewell dinner for them. Other guests were Dr. and Mrs. James Weatherholt of San Jose, and Mr. and Mrs. Harvey Blume of Cambrian Park.

Three California Post Offices Hit $1 Million Group

Three post offices in the California were reported today to have joined the "million dollar class" during 1955 to make a total of 27 offices in the California-Nevada-Hawaii region with annual receipts of more than $1 million.

The four new million dollar class post offices in California are: Inglewood, Riverside and Culver City. Las Vegas, Nevada, made the biggest gain to join the select group. It crossed the million dollar mark, leaping from $812,981 in 1954 to $1,024,425 last year. The three California offices were all above $900,000 in 1954. The 1955 figures: Inglewood $1,080,330; Riverside $1,014,844; Culver City $1,014,417.

The figures were released by the Post Office Dpartment's Regional Controller, James F. Lynch, with the expanation that they are unofficial and subject to final revision in Washington, D. C., where the official figures will be released. Lynch said the regional office had included some adjustments which would mean slight revisions of figures previously announced by individual postmasters.

Los Angeles remained in first place with receipts of $52,646,620 and its gain of $2,366,641 over 1954 was the largest for any office in the region. San Francisco was second with $31,904,906, followed by Oakland $7,852,194, and San Diego $5,492,622. San Jose's office did $2,448,127, and Palo Alto, $1,379,472.

Motorists Have Until Saturday To Pay Licenses

All California motorists were alerted this week to avoid penalties on their 1956 license plates by securing their registration renewals before midnight, Saturday, February 4.

To give late applicants an extra margin of time, the Department announces it will keep all of its permanent and temporary offices open on Saturday to 5:00 P. M. They were originally scheduled to close Saturday noon.

Applications mailed Saturday evening with a postmark earlier than midnight will be accepted penalty-free.

Penalties set up in State laws double the flat $8 annual registration fee imposed on all vehicles, thus increasing this portion of the fee to $16. And the law increases the license fee portion of the total by 50 percent when it is paid after the penalty deadline. Fee statements issued by the Department show the combined amounts as a single total.

The 100 banks that have offered limited service in metropolitan areas for private passenger car owners paying fees with 1956 statement cards, will close their vehicle registration operations Friday at 6:00 P. M.

Persons mailing their applications to Department of Motor Vehicles, Sacramento, are cautioned to forward the entire statement card with their fees. The stub must not be detached. It will be returned by the Department after the registration is renewed.

Dental Alumni to Meet

Modern methods of diagnosing dental troubles and planning their treatment will be the theme of the 60th annual convention of the Dental Alumni Association of the University of California which opens in San Francisco this Sunday for a two-day session. Dr. John W. Zeigler of Campbell will be among the 110 dentists in attendance at the sessions.

Professor Offers Speaking Course

Lawrence Mouat, Professor of Speech at San Jose State College, will conduct a two-hour course in public speaking in the auditorium of the Santa Clara County Health Center, 2220 Moorpark Avenue, San Jose, next Monday from 10:00 a. m. until noon.

The course, sponsored by the California Congress of Parent Teachers Associations, is free and open to the public.

SUNSHINE And clear skies . . . so across the Golden Gate Bridge noting sailboats and hydroplanes dancing across the Marin County shore, then up to Napa County and the valley that is yet unspoiled by row after row of subdivisions, with dormant fruit trees and acres of vineyards woven like a net between two mountain ranges that are bleeding with streams following a 40-inch rainfall . . in the upper end of the valley is Calistoga, a peaceful spa founded by Sam Brannan and his Mormon followers a century ago, its name being a blend of California and Saratoga a famed Eastern spa . . . here for these many years treatments with naturally heated steam and sulphur water combined with volcanic ash mud deposits are said to aid those who suffer from rheumatism, arthritis, neuritis and other muscular aches, chronic and circulatory disorders . . . its hotels feature natural hot mineral water to every room and there are signs to say it is available at all times and to use as much of it as you wish . . . a geyser spouts natural mineral water and an enterprising firm is now bottling it for consumers . . . fields of lush grass with meadowlarks calling to each other . . . greystone fences, moss-covered with age, creep along the roadside . . . here it was that Robert Louis Stevenson once lived and where he wrote Silverado Desperados.

NINE MILES South of Calistoga is St. Helena and four miles east is the Sanitarium that is the oldest Battle Creek-type in the country . . . it is a health retreat in a sylvan setting, in which physical therapy is an important feature, and a good place for a thorough check-up . . . here I met an elderly gentleman by the name of John E. Lawrence who some twenty-five years ago owned five acres of the Ainsley property in Campbell, right off Winchester Road south of Kennedy Avenue and who inquired extensively about some of our old settlers whom he named and who was delighted with any information of them I could offer . . . he is 94 and has life tenancy at the Sanitarium . . . told me of Ed Merrill's mare that would sit down in a row when ever she got tired of plowing, and of Dr. and Mrs. Merrill's mischievous son Bob who attended Campbell Grammar and High School and who is now singing with the Metropolitan Grand Opera, as Robert Merrill, being feature soloist Monday on the Voice of Firestone program . . . told of how the Ainsely Cannery was started after a few sealed cans of pears were sent to England and a cable came back they will take all we can send, no limit . . . eyebrows lifted when I told him Banker John Duncan's son is principal of Moorpark School, but said it was a very fine family.

CAMPBELL MAN TAKES BRIDE

The living room of the R. H. Holmes residence on Harriet Avenue, decorated with calla lilies and narcissi, was the scene of the wedding of Miss Barbara Stambaugh and Charles Darwin Holmes, last Saturday evening, when Rev. Herbert Neale, pastor of the First Methodist Church in Campbell, officiated.

Barbara, who was given in marriage by Clarence Thompson, a family friend, chose a light blue embroidered silk, princess style cocktail length dress for the ceremony. She wore a small white silk hat and a white carnation and rosebud corsage.

Her only attendant, Mrs. Errol Wright, sister of the groom, was the matron of honor. She wore an aqua sheer wool street length dress, with white gloves and black accessories. She wore a pink carnation corsage.

Errol Wright, brotherin-law of the groom, attended him as best man.

Mrs. R. H. Holmes, mother of the groom, wore a navy silk dress with red accessories. A pink carnation corsage was pinned at her shoulder.

Barbara, daughter of Mrs. Gerald Stambaugh of Salem, Oregon, and Gerald Stambaugh of Richmond Center, Wisconsin, graduated from Newport High School in Newport, Oregon, and was employed at the Cornet and Sno White in Campbell, prior to her marriage.

Charles attended Campbell High School and is presently engaged in real estate business in Campbell.

The couple plans an extended honeymoon trip at a later date, and are now at home at 1080 Harriet Avenue in Campbell.

Past Noble Grands Meet

Mrs. J. H. Bachman was hostess for the Past Noble Grands when they met in her home on North Harrison Avenue last Thursday.

Mrs. Herman Rice presided at the meeting when Mrs. Joseph Meckler was initiated into the group. Mrs. Rice also made a presentation of the group's going-away gift to Mrs. Lillian Ohlen, who left for a trip to South America last Tuesday.

Mrs. Lydia Poindexter attended the meeting after a year's absence because of illness.

Mrs. Ernest Farley assisted Mrs. Bachman as co-hostess.

El Quito Park PTA Hears Panel Team

"From Nursery School Through College" will be the topic of panel discussion of the school's role in the child's social development, when El Quito Park P. T. A. meets at Moreland School next Tuesday evening, following an Italian spaghetti dinner in the Moreland School cafeteria, which will start at 6:30 p. m.

Sal Millan, vice president of the Moreland Citizens Advisory Committee, will moderate the group of panelists who are: Mrs. William F. Nameny, director of the Saratoga Cooperative Nursery; Mrs. Art Straight, El Quito Park School third grade teacher; Dr. Norman Dolloff, geology professor at San Jose State College, and Kenneth Wallace, dramatics teacher at Campell Union High School.

Mrs. Graham Judge is refreshments chairman in charge of the dinner, assisted by mothers of Mrs. Hazel Hopkins' and Miss Mary Handley's fourth graders.

Mrs. Walter Silberbauer will be chairman in charge of refreshments and decorations for the meeting.

Youth Group In Polio Campaign

"Peanuts For Polio" campaign has been keeping the Youth Group at the Campbell Baptist Church busy selling peanuts in Campbell every evening after school and on Saturday for the past few weeks, and is reported to be a great success, according to Mrs. N. R. Buchanan, who is in charge of the group with her husband.

Young people taking part in the drive are: Jean Bittel, Charlotte and Phyllis Quick, Pat Williamson, Nancy Schraub, Mickey Burnes, Ken, Bobby and Lloyd Williams and Douglas and Norman Buchanan.

CLUB MEETS TODAY

Mrs. Leslie Fairchild will preside at the meeting of St. Lucy's Women's Club this afternoon in St. Lucy's School, when the group will discuss plans for their fashion show on March 17.
